

29 OCT 1960

Mr. Arthur B. Focke
General Counsel
Bureau of the Budget
Washington 25, D. C.

Dear Mr. Focke:

As you are aware, Section 511(a)(3) of the Overseas Differentials and Allowances Act (74 Stat. 792), approved September 6, 1960, repeals Section 4(b) of the Central Intelligence Act of 1949, as amended (63 Stat. 211). The latter provision authorized the Director of Central Intelligence to grant allowances to Central Intelligence Agency employees overseas in accordance with regulations prescribed by the President. These regulations were set forth in Executive Order 10100.

Since the Executive Order no longer rests on statutory authority, and since Sections 201 and 221 of the Overseas Differentials and Allowances Act provide for payment of allowances to CIA employees along with Government employees generally, we recommend that revocation of Executive Order 10100 be included in the Executive Order now being prepared to implement the Overseas Differentials and Allowances Act.

Sincerely,

SIGNED

John S. Warner
Legislative Counsel
